

Cheat Sheet To Starting A Proposal Planning Company

www.theheartbanditsacademy.com

Welcome

FUTURE PROPOSAL PLANNER!

You are here because you know that becoming a Proposal Planner is a huge opportunity. When launched and marketed correctly, your Proposal Planning business has the potential to earn multiple six figures a year.

To get your Proposal Planning business up and running, I have provided you this Cheat Sheet which will walk you through the steps you need to get started.

Before we begin, I wanted to personally invite you to my private group, Proposal Planning Academy Tribe. This is a group where all professionals involved in the Proposal Planning industry can come together to network, support each other, learn from each other, and help set each other up for success.

Cheat Sheet To Starting A Proposal Planning Business

Know Your Target Market

Before you do anything else, you need to determine your target market. Your target market will set the tone for many other decisions you make that follow.

Choose Name

Choose a name for your Proposal Planning business. Check the USPTO website to make sure there is no Trademark on it.

Create Website

Create a website yourself or hire a company to make one for you. At a minimum, have a Home, About, Services, Blog, and Contact page.

Claim Socials

Sign up for all social media accounts with your new name. You want to do that right away to make sure no one takes them!

Cheat Sheet To Starting A Proposal Planning Business

Business License

Check your city regulations to find out what type of business license you will need.

Insurance

Most Proposal Planners will need Professional Liability with Errors & Omissions insurance.

Legal Structure

Decide if you want to operate as a sole proprietor, LLC, or corporation.

Contracts

Hire an attorney to draft your Proposal Planning client contracts

Still Feeling Overwhelmed?

Starting a Proposal Planning Business is no easy feat. But it can be if you have access to a clear, step-by-step implementation guide.
